

# WHY SUPPORT KHS?

## History You Can Step Into...

## Community in Action

## Connecting Generations

## Preserving Our Past

Kennebunkport  
Historical Society

Dear Members and Friends,

On behalf of the Board of Directors, I'm reaching out to thank you for your continued generosity and to ask for your renewed support of the Kennebunkport Historical Society.

Our mission is both broad and vital. We care for historic buildings, collections, archives, and genealogies; host programs and tours; and collaborate with local schools to keep Kennebunkport's story alive and relevant.

Your gift can help the Society offer educational programs, fund new programs, cover day-to-day operational costs, and ensures the long-term conservation of valuable artifacts and historic sites for future generations.

The Society receives no funding from the Town of Kennebunkport. Every program and preservation effort depends entirely on the generosity of our members and friends. Your contributions **directly support** our ability to preserve history, educate the public, and maintain our facilities and collections.

Looking ahead, we are excited to share that in 2026 we will unveil plans for a state-of-the-art Archive and Research Center to be built next to the Pasco Center. This is a transformative step toward safeguarding our community's history for many generations to come. Please contact us if you are interested in a founding patron role in making this vision a reality.

***"The mission of the Kennebunkport Historical Society is to protect and preserve Kennebunkport's social, cultural, and architectural history, with the goal of making it relevant and accessible for today and future generations."***

Together, we can ensure that Kennebunkport's history remains accessible, inspiring, and vibrant. Your gift to our Annual Appeal will help sustain our present work and secure the Society's enduring future.

With sincere appreciation,

Andrea A. Rolleri  
President, Board of Directors  
Kennebunkport Historical Society
